

Savannah Dison

Journalist | Content Creator | Themed Entertainment Specialist

About Me

Savannah Dison is a passionate multimedia journalist and digital storyteller with a beat focused on themed entertainment, fan communities, and immersive experiences. With a background in audio production and a Master's degree in New Media Journalism, she brings a unique blend of technical skill, narrative depth, and fan-savvy insight to every project. Savannah's work often explores the intersection of pop culture, hospitality, and the human moments behind big experiences—whether it's covering conventions, theme parks, theatrical productions, or lifestyle stories with heart.

Website

SavannahDison.com is a cozy, story-rich corner of the internet dedicated to books, games, and immersive entertainment. The site serves as a creative journal and hub for themed content that resonates with fans of all ages—whether you're into cozy fantasy novels, Broadway magic, or Disney Park Updates.

Readers can expect thoughtful blog posts, personal essays, event coverage, reviews, and creative resources all curated to reflect a life steeped in storytelling and wonder. The website balances fun and professionalism while maintaining a humble, caring voice that encourages connection and community. Her site is currently gaining around 20 unique site visits and between 9-20 page visitors
